

Dear Supporter,

Join the fight to save Ethiopia!

On behalf of the American Ethiopian Public Affairs Committee (AEPAC), the Worldwide Ethiopian Action Fund (WEAF) and partnering civic and advocacy organizations, we are delighted to invite you to an online fundraising event on **Sunday, December 12th, 2021, at 2:00 pm Eastern Standard Time (EST).**

The Ethiopian American Community has a profound responsibility to help defend the two countries we call home to maintain their century-long diplomatic relationship. Today, forces are trying to end that critical, strategic partnership and destabilize Ethiopia. The progressive democratic journey Ethiopia began in 2018 is at real risk.

But, together we can make a difference. Each and every one of us has a role to play.

Over the past six months, we have helped challenge and change government policy and media coverage. However, as the conflict worsens and the TPLF refuse to implement a ceasefire, and as Ethiopia could shortly be delisted from AGOA, we have so much more work to do.

That's why we need you to join our event and support Ethiopia.

During the event we will discuss what your donations will help support:

- Continue our U.S. public relations and lobbying campaign
- Launch a 50-state strategy for the upcoming Mid-term elections in November 2022
- Consider a new global strategy.

Join AEPAC on the 12th of December 2021. Together we will have our voices heard!

We look forward to seeing you there!!
