Aarika has supported the Ethiopian community in our time of need. She has:

- Protested with us.

### WHY I'M RUNNING

I'm running for Congress because I believe everyone deserves a life full of dignity, prosperity and equity—regardless of what they look like, how much money they have, or whom they love.

I'm fighting to find practical progressive solutions to create good paying jobs, increase health coverage, secure equity for all Americans, and protect our freedom to vote.
